The mission of Envision Linesville is to increase interest, involvement, and activity in the Linesville community and to promote and encourage healthy lifestyles and life-long learning.

This is being accomplished through educational and charitable activities that strive to preserve and enhance the rural, small town characteristics of the area while building on its natural, cultural, historic, and human resources.

"The true meaning of life is to plant trees, under whose shade you do not expect to sit."

-Nelson Henderson
