For more information about the Pymatuning Waterfowl Expo, contact the Linesville Chamber of Commerce by phone at 800-829-7811 or e-mail waterfowl_expo@hotmail.com. Proceeds from the event will help Ducks Unlimited in its mission to conserve critically important wetlands and waterfowl habitat.

With more than a million supporters, Ducks Unlimited is the world's largest and most effective wetland and waterfowl conservation group. The United States alone has lost more than half of its original wetlands – some of nature's most productive ecosystems – and continues to lose more than 100,000 wetland acres every year.
